**Event Name: Tucson Film Fest**

**Date:** Friday, October 11, 2019

**Start Time:** 12:00am  
**End Time:** 12:00pm

**Description:**

Film Fest Tucson is a destination film festival, a place for filmmakers and audiences to meet, discover and experience unique and important stories told on film. The festival is for the community of Southern Arizona, as well as for visitors to the region to experience the unique environment, heritage and culture of Tucson and the surrounding area, while seeing new and important films. A unique and home-grown Tucson film festival for those passionate about movies. Programming at Film Fest Tucson includes both short and feature-length narrative and documentary films that have been selected for their quality, timeliness and subject matter. With a strong interest in presenting work by emerging as well as established filmmakers, Film Fest Tucson has some of the best audiences on the circuit—educated and savvy film fans who look forward to post screening Q & A’s almost as much as the films themselves. With top quality projection and sound presented in unique venues, panels, parties and some of Tucson’s most iconic experiences like Hotel Congress, Whiskey del Bac, Arizona Inn, AC Hotel Tucson Downtown, Sand Reckoner, Dragoon Brewing and many others, Film Fest Tucson is the place to be in October. **Sponsor:** Associated Students of the University of Arizona and Parents & Family Association

**Event Name:** Flandrau Science Center- "Science Wonders" Tour

**Date:** Friday, October 11, 2019

**Start Time:** 09:00am

**End Time:** 10:00am

**Description:**
Discover how the University of Arizona became a world leader in Science!
Our guided tour gives you the stories behind the exhibits. You'll discover how the University of Arizona became a world leader in astronomy, earth science, ecology, and planetary science — and why Space Is Wildcat Country.

Tour Time: 2 hour tour time – One hour special guided tour, one hour “Arizona Explores Space” special planetarium show.
Tour Rate: $18 Guided Tour includes all exhibits, special guided tour, and special planetarium show.
Tour recommended for visitors 10 years old and above.

We'll take you from Earth to Space and back — and you'll see the world in a whole new way.

On the tour at Flandrau Science Center & Planetarium you’ll learn about the rich history of scientific innovation in Southern Arizona.

- Did you know that the University of Arizona mapped the moon for the Space Race to land the first humans on the moon with the Apollo 11 mission?
- Did you know that there is more biodiversity (more plants, animals, insects, birds, etc.) in Southern Arizona than anywhere else in the United States?
- Did you know the University of Arizona leads NASA missions?

Those are some of the stories you'll hear. And you'll learn about exciting new science happening at UA, like NASA's groundbreaking OSIRIS-REx mission. For the first time ever, the OSIRIS-REx spacecraft will capture a sample from a primitive asteroid and bring that sample back to Earth for analysis. The University of Arizona conceived of the mission, and now leads the mission for NASA.

And the tour group will experience a special planetarium show in Flandrau’s state-of-the-art Eos Foundation Planetarium Theater. The theater was fully renovated in 2016, and thanks to the state-of-the-art fulldome digital projection system, it delivers an immersive sensory experience that visitors will never forget. This special “Arizona Explores Space” show highlights UAZ's leading role in the exploration of our solar system.

**Event Name:** Farmers Market

**Date:** Friday, October 11, 2019

**Start Time:** 02:00pm

**End Time:** 02:00pm

**Description:**
Here at FoodInRoot we see a place rich in history and culture, a place grounded in family, community, and survival. We see brilliant artists and artisans, dedicated chefs, hard-working farmers, and talented musicians. We see a community of people who are passionate about what they do and who want to share it with their neighbors. FoodInRoot is all about getting “rooted” in community, and that’s why our focus begins with the ubiquitous farmers’ market: the place to shop, eat, and socialize while supporting the work of local producers and artisans.

Our markets are meant to be enjoyed. Take the time to talk to our wonderful vendors as they all have a story to tell. Stroll among the wares and feel inspired: perhaps a new recipe comes to mind, a creative way to liven up your home, or an addition to your home garden. Relax over a cup of warm coffee in the cooler months or a refreshing piña or horchata during the hot summers. Our markets are filled with local gems: artisan soaps, handmade toys, metalsmiths and woodturners, sustainable ranchers, locally-harvested organic produce, spiritually inspired jewelry, artisan food producers with unique family recipes, locally roasted coffee, beekeepers, and so much more. As a community-driven endeavor, there is something for everyone at our markets, and a reason to love it. Discover yours!
Event Name: Tucson Meet Yourself

Date: Friday, October 11, 2019

Start Time: 11:00am

End Time: 10:00pm

Description:

Tucson Meet Yourself is a folklife festival. We focus on presenting artists and communities that carry on living traditions rooted in a group’s own definition of identity, artistry, and cultural significance.

Our mission is to research, document, interpret and present the living traditional arts and expressions of everyday life of the folk and ethnic communities of the multi-national Arizona-Sonora region.

The festival has a slightly new location this year, occupying 4 city blocks and Jacomé Plaza, in front of the Joel D. Valdez Main Library.

https://www.tucsonmeetyourself.org/

HISTORY

The festival has been held annually in Downtown Tucson, Arizona since 1974. It was founded by University of Arizona folklorist and anthropologist Dr. James “Big Jim” Griffith, who in 2011 was honored by the National Endowment for the Arts with a prestigious recognition as a “National Heritage” treasure.

TMY is the signature annual event of the Southwest Folklife Alliance, a Tucson-based nonprofit organization that helps support, honor, and promote the traditional arts and heritage practices of the region and that compliment the festival year-round.

TMY is building a community that respects traditions, culture, diversity and honors the land and environment (“sense of place”) unique to the desert borderlands. We have several ongoing partnerships with other organizations in our region dedicated to fostering compassion, integrity, and stewardship of the land and our Southwestern cultural ways. TMY has had a long history of partnership and shared goals with the University of Arizona.

Event Name: CALS Honors Convocation Ceremony

Date: Friday, October 11, 2019

Start Time: 03:00pm

End Time: 03:15pm

Description:

The College of Agriculture & Life Sciences holds an Honors Convocation each fall to recognize students who have achieved academic excellence in undergraduate degree programs for the previous academic year. The event not only celebrates the hard work of students, but also serves to recognize the family and friends who support them.

CALS Honors Convocation Ceremony
Friday, October 11, 2019
Check-in, 2:55 - 3:15 pm | Event begins, 3:15 pm
Social Sciences Building, Room 100
Following the ceremony, please join us for photos and a reception in the Forbes Building.

- All eligible students received an email invitation.
- RSVP deadline is Monday, October 7, 2019.
- Guests are welcome but space is limited. RSVP as soon as possible in order to reserve your seat; we will quickly reach capacity for the ceremony. Please include the number of guests attending in your RSVP.

Eligible students who attend the ceremony will be individually recognized. Students will have their name read, walk across the stage, and receive a cord for either Highest Academic Distinction or Academic Distinction.

- Highest Academic Distinction – red, white and royal blue cord
  - Based on 30 regularly graded units the previous academic year and a 4.000 grade-point-average
- Academic Distinction – red cord
  - Based on 30 regularly graded units the previous academic year and a grade-point-average of 3.500-3.999

Event Name: Flandrau Science Center & Planetarium

Date: Saturday, October 12, 2019

Start Time: 10:00am
End Time: 10:00pm

Description:
This year Flandrau will welcome all families for UAZ Family Weekend starting on Friday, October 11 and going through Sunday, October 13 with special pricing for everyone: $4 exhibits admission and $4 planetarium shows!

Don’t miss Flandrau at the “Family Weekend Welcome Tent” on the University mall all day on Friday, Oct 11, and from 4pm until game time on Saturday, Oct 12. You can learn about what we offer at the Welcome Tent, then stroll down to our building and marvel at our Sharks exhibit, explore the planets in
our Solar System exhibit, and experience one of our amazing planetarium shows!

The University of Arizona leads the way in many fields of science. At Flandrau Science Center & Planetarium, we tell the stories of UA’s science achievements, the stories that set UA apart. We invite the campus community to come explore all the science we have to offer, from Sharks to Space, and see why Space Is Wildcat Country!

Special Pricing
For all families and visitors: Only $4 for exhibits and $4 for planetarium shows. Special pricing runs all three days from Friday, October 11 thru Sunday, October 13.

Guided Tours and Special Arizona Shows
For the first time, Flandrau will offer scheduled public guided Tours that we call Flandrau Guided Tour: Arizona Science Wonders. We’ve given these special Tours for group visits before, but we’ve never offered them to the general public, and Family Weekend is the perfect time to start! Sign up for this special tour on our website soon!

The Flandrau Guided Tour: Arizona Science Wonders gives you the stories behind the exhibits. You’ll discover how the University of Arizona became a world leader in astronomy, earth science, ecology, and planetary science – and why we say with pride “Space Is Wildcat Country.” In addition to the guided exhibits tour, participants will also see a private showing of Touring the Solar System: UA Edition, a special planetarium show not available to the general public.

Reserve your space on the Arizona Science Wonders Tour, offered on Friday Oct 11 at 1pm and on Sunday, Oct 13 at 10am. Tickets available below!
Member discount does not apply to Arizona Science Wonder Tours.

New Mars Planetarium Show
Our new Mars show, Next Stop: Mars will fly you to the red planet and give you the scoop on all that we’ve discovered there. The University of Arizona has played a role in every single NASA mission to Mars! And we’ve even led some of them. You’ll learn why Mars has captivated humans for millennia, what the new science tells us, and what it would take to send humans to Mars.

Join the fun at our Family Weekend celebration! Flandrau – cool science on a hot day.
