Film Fest Tucson is a destination film festival, a place for filmmakers and audiences to meet, discover and experience unique and important stories told on film. The festival is for the community of Southern Arizona, as well as for visitors to the region to experience the unique environment, heritage and culture of Tucson and the surrounding area, while seeing new and important films. A unique and home-grown Tucson film festival for those passionate about movies. Programming at Film Fest Tucson includes both short and feature-length narrative and documentary films that have been selected for their quality, timeliness and subject matter. With a strong interest in presenting work by emerging as well as established filmmakers, Film Fest Tucson has some of the best audiences on the circuit—educated and savvy film fans who look forward to post screening Q & A’s almost as much as the films themselves. With top quality projection and sound presented in unique venues, panels, parties and some of Tucson’s most iconic experiences like Hotel Congress, Whiskey del Bac, Arizona Inn, AC Hotel Tucson Downtown, Sand Reckoner, Dragoon Brewing and many others, Film Fest Tucson is the place to be in October. Event Name: Tucson Meet Yourself

Date: Friday, October 11, 2019
Start Time: 11:00am
End Time: 10:00pm

Description:
Tucson Meet Yourself is a folklife festival. We focus on presenting artists and communities that carry on living traditions rooted in a group’s own definition of identity, artistry, and cultural significance.
Our mission is to research, document, interpret and present the living traditional arts and expressions of everyday life of the folk and ethnic communities of the multi-national Arizona-Sonora region.

The festival has a slightly new location this year, occupying 4 city blocks and Jacomé Plaza, in front of the Joel D. Valdez Main Library.

**HISTORY**

The festival has been held annually in Downtown Tucson, Arizona since 1974. It was founded by University of Arizona folklorist and anthropologist Dr. James “Big Jim” Griffith, who in 2011 was honored by the National Endowment for the Arts with a prestigious recognition as a “National Heritage” treasure.

TMY is the signature annual event of the [Southwest Folklife Alliance](https://www.southwestfolklife.org), a Tucson-based nonprofit organization that helps support, honor, and promote the traditional arts and heritage practices of the region and that compliment the festival year-round.

TMY is building a community that respects traditions, culture, diversity and honors the land and environment (“sense of place”) unique to the desert borderlands. We have several ongoing partnerships with other organizations in our region dedicated to fostering compassion, integrity, and stewardship of the land and our Southwestern cultural ways. TMY has had a long history of partnership and shared goals with the University of Arizona.
